

Commercial I Photography Famous Photographer Report

Due Date: Fridays throughout the semester

Objective: To research the life of a famous photographer and present the research in a written report. Famous will be defined as someone of which a book or article has been written previously. Local photographers will not count unless you can confirm that they have a book written about them. **Nobody can do the same photographer.** Check on the internet or library for possibilities. When you have chosen a photographer give the name to Mr. R. Pick someone whose work you enjoy looking at.

Requirements:

1. PowerPoint Presentation produced in Keynote or PowerPoint.
2. Images of the photographers work with in the report.
3. Find out what the photographer was or is most known for. What is special about his photography?
4. Find out the following information:
 - A. Photography specialty
 - B. Influences on his/her photography.
 - C. Events in history that were an influence on the photographer.
 - D. Type of equipment used.
 - E. Photography Education: Where, who, and how he/she learned their photo skills.
5. Give an Oral report using the PowerPoint

Research Sources:

1. LRC
2. Books in our classroom.
3. Public Library
4. Internet (check Google and Yahoo)

Grading:

1. PowerPoint- 25 pts.
 2. Oral report- 25 pts.
- Total- 50 pts.
