

Student Choice Project

Due Date: June 11th, 2009 DO NOT wait to the last minute to work on this project.

Objective: Students will show the skills and concepts that they learned during the current semester. Students will be expected to present their best possible work for this project. This is your opportunity to show what you can do and do something that you want to do.

Requirements:

1. **Camera:** May use any of the cameras that you have learned in your photography classes at PHS.
2. **Concepts and skills:** Either create or find a photography concept that you want to explore and work with. Or you may take a concept that you have previously done and try to make it better.
3. **Creativity:** This is to be your most creative endeavor. Look for examples in books and search the internet for ideas. We are not necessarily trying to do something that you find elsewhere, but by looking at other's work photographers often get ideas of what they would like to do.
4. **Quality:** We are expecting high quality in your **technical** ability for both shooting and printing. Get your shooting done early so that you can make sure your printing is good.
5. **Write up:** There will be 2 write ups for this project. Use the Memo Style for both.
 - a. The first is a pre production write up about your intentions for the project.
 - b. The second will be a post production write up. For this write up you will answer the following questions.
 - i. How well did the project meet or exceed your expectations?
 - ii. What do you feel you learned by doing the project?
 - iii. What would you do differently if you did the project again?
6. **Quantity:** At least 3 images created (unless Mr. R. tells you differently)

Grading Criteria

1. Print Quality (includes contact sheet) - 5 pts.
2. Presentation- 5 pts.
3. Technical Quality- 10 pts.
4. Effort- 10 pts.
5. Creativity and Visual Impact- 5 pts.
6. Fulfilling the Requirements- 10 pts.
7. Write ups- 5 pts.

Turning in the Project: The following order in your Assignment Notebook

1. Evaluation Sheet
2. Pre production Memo
3. Post production Memo
4. Negatives (if applicable)
5. Images in plastic page (one matted and on the wall) LRF folder in Drop Box
6. Contact Sheet (hole punched)

Total Points Possible- 50 pts. total
