

Working with the Mac Evaluation Sheet

Name- _____

Period #- _____

To do this lesson you will need to locate the “Working with the Mac” tutorial. During the reading of this tutorial, you will be told to do various things that will help you to work with your computer during this semester. When you have finished the tutorial you should have completed the list shown below. Make sure your name is written above and put this evaluation sheet behind the last assignment in your “Assignment” folder. Then turn in your “Assignment” folder in the “Turn In Tray”. Your teacher will pick it up there and come by to have you show what you did.
